Personal Interests:

In the interest of increasing transparency and community involvement, the Board is looking at establishing some volunteer committees. [**Read Crib Sheet Here**](#)

The committee idea will take some time. Lots of the idea is as much if we can do it as when. Much will depend upon the number and quality of volunteers we get. It will be a while before things start to happen. May we contact you in the not-too-distant future to ask you to attend a preliminary committee informational gathering. One that has no strings attached, just to see if it is something you may be interested in? We would appreciate your interest, involvement, and contribution to make the 9th Fairway as good as it can be.
